WANT MORE THAN AN 'EARLY BIRD' DISCOUNT?

We also offer extended payment terms (subject to credit approval) and fixed price service contracts are available too. Don't worry if you didn't take a fixed price service contract at the time of purchase, talk to us about this option now.

This year we are continuing to provide a selection of offers at locally competitive prices prior to service work being carried out:

Air Conditioning Health Check

Tele-handler Service Appraisal

Baler Service Appraisal

Tractor Service Appraisal

Combine Harvester Service Appraisal

Drill Service Appraisal

THE T H WHITE DIFFERENCE

We service any make, any model and any machine – and remember, our winter service programme discounts apply to franchised machinery too.

With specialist training and a 'can-do' attitude, we deliver first class service, prioritising your needs. Our workshops house state-of-the-art diagnostic equipment and our accredited technicians are backed by experienced parts personnel who hold thousands of lines of genuine parts stock – all guaranteed with 12 months warranty.

SCAN ME

So **BOOK NOW** to benefit from a reduced labour rate, discount on parts, deferred payment on high value orders and warranty on the work carried out – with the added peace-of-mind that your machine will be in first-class order ahead of the 2024 season.

Conditions relating to winter service orders: All winter service orders received will be on the understanding that T H WHITE can carry out the service of your machine(s) AT ANY TIME during the winter months to enable best use of staff time and planning of workload. If any additional work is found to be necessary, above the confirmed order, you will be contacted and your agreement sought before this work is carried out. Parts discounts indicated are for items supplied from stock or included in stock-ordered parts, but excludes oil. Parts and labour discounts apply to franchised machines; labour only discounts apply to non-franchised machines. Payment for work done will be in accordance to normal trading conditions unless a deferred payment option has been agreed. Service appraisals include a fixed price inspection and written estimate of critical and recommended maintenance. All prices are quoted Ex-VAT for work conducted in our workshops. Travel expenses apply for service activities conducted on farm. These offers cannot be used in conjunction with any other T H WHITE offer.
